St. Thomas Matriculation Higher Secondary School	Thoothukudi
**SSLC	Percentage- 77.2**	2020
St. Thomas Matriculation Higher Secondary School	Thoothukudi

PROJECTS

Drug Inventory and Supply Chain Management System 🔗
Tech stacks- ReactJs, MongoDB, ExpressJS, NodeJS
- Designed and implemented a system to track drug inventory and streamline supply chain operations between pharmacists and retailers.
- Integrated user-friendly interfaces to manage drug entries, monitor supply-demand status, and enhance transparency and traceability in pharmaceutical logistics.

AI Powered Job Navigator 🔗
Tech stacks- ReactJs, MongoDB, ExpressJS, NodeJS
- Developed an AI-driven web platform that analyzes user profiles and recommends personalized job opportunities based on skills, interests, and market trends.
- Implemented resume parsing and real-time job listings integration to enhance user experience and improve job search efficiency.

CERTIFICATES

- Java Developer – Udemy
- Excel – Great Learning

SKILLS

Languages
Java | HTML,CSS,JavaScript

Database
MySQL

Tools
Visual Studio Code | MS Office

Version Control
Git | GitHub

INTERESTS

Fullstack Development | UI/UX

KEY STRENGTHS

- Adaptability
- Leadership
- Time Management

INTERNSHIP

Software Development Intern- Rinex Technologies Pvt. Ltd.
